CHANCELLOR, SEGi UNIVERSITY

**Y.A.M. Tan Sri Dato' Seri Syed
Anwar Jamalullail Ibni Almarhum
Tuanku Syed Putra Jamalullail**

Dear Graduates,

Today marks more than the completion of your studies — it marks the beginning of something far greater. This 29th Convocation Ceremony of SEGi University is a proud milestone for you, your loved ones, and for all of us who have had the honour of witnessing your growth. It is a reflection of your dedication, your resilience, and the transformation you have undergone during your time here. Along the way, you've acquired more than just knowledge — you've developed the mindset, values, and strength of character that will guide you into the future. You are now equipped not only to succeed, but to lead with empathy, purpose, and integrity.

You graduate at a time of immense global change. The world needs thinkers who can act with compassion, leaders who can inspire trust, and professionals who can navigate complexity with courage. We believe you are ready. Your achievement is also part of a larger story. SEGi University's recent QS 5-Star Plus rating, awarded to only 24 universities globally, and our inclusion in the QS World University Rankings, are powerful affirmations of the quality, inclusivity, and excellence that define your education. These are not just honours for the university — they are recognitions that now extend to you, and the value of the degree you hold.

As you step forward into the next chapter, carry with you the confidence to shape your path — and the conviction to shape the world around you. Let your journey ahead be defined not only by success, but by significance.

Congratulations on this extraordinary achievement. The future awaits — and it needs leaders like you.

FOREWORD

CHAIRMAN, BOARD OF GOVERNORS

Emeritus Professor
Dato' Dr. Muhamad Bin Awang

Dear Graduates,

Warmest congratulations on this proud occasion. Your convocation is more than a celebration of academic success — it is a powerful affirmation of your journey, your resilience, and your growth into individuals ready to contribute meaningfully to the world.

This year marks a milestone not just for you, but for SEGi University as well. With our first-ever inclusion in the QS World University Rankings, SEGi now stands among the top institutions worldwide — a testament to the academic rigour, innovation, and student-centred values we champion. Domestically, our SETARA and MyQUEST accolades from the Ministry of Higher Education reinforce our unwavering focus on graduate employability, educational excellence, and meaningful learning experiences.

These recognitions enhance the value of your degree — but what truly elevates it is how you choose to use it. The challenges that await are complex and dynamic. But so are you. Armed with your education, your principles, and your purpose, you are well-prepared to meet the world with clarity, courage, and compassion. May this achievement be the beginning of an even greater legacy.

Congratulations, Class of 2025.

FOREWORD

MANAGING DIRECTOR, GROUP OPERATIONS, GLOBALISATION & DIGITALISATION, SEGi UNIVERSITY & COLLEGES

Ms. Stella Lau Kah Wai

Dear Graduates,

This is a defining moment — a celebration of your hard work, growth, and readiness to shape the world.

You graduate during a historic milestone for SEGi University: our first entry into the QS World University Rankings, placing us 731–740 globally — within the top 1.5% of over 50,000 universities. This ranking, based on assessments of more than 8,000 top institutions, reflects our academic reputation, global outlook, research, and teaching excellence.

But more importantly, this is your win. Your degree now carries global recognition — a powerful signal to employers that your education meets world-class standards. It validates the skills, knowledge, and potential you bring to the future.

So, wear this achievement with pride. You helped put SEGi on the world map — and now, the world is watching what you'll do next.

Congratulations!

FOREWORD

VICE CHANCELLOR, SEGi UNIVERSITY

Prof. ChM Dr. Teh Geok Bee, FASc

Dear Graduates,

This is your moment — earned through resilience, hard work, and vision. We're proud that SEGi has once again been recognised in the Talentbank Graduate Employability Index 2025 as one of Malaysia's top universities for employable graduates. Your qualification reflects what employers seek most — critical thinking, adaptability, and hands-on learning.

You graduate from a university that is expanding its global footprint through SEGi UniVerse, our metaverse campus, and international UniHubs in countries like Vietnam and China. Our faculty members are global contributors — including Prof. Dr. Srikumar Chakravarthi, who was recently honoured with a Lifetime Achievement Award for his impact in research and education.

We also celebrate a major sustainability milestone: our team, led by Ts. Dr. Balqis, Ar. Nur Haziqah, and Ts. Noorul Fazdlee, won Gold at SiDe-2025 for the TASEE Framework, which merges tech, ecotourism, and education to drive sustainable urban development. These achievements echo our QS 5-Star Plus status — held by only 24 universities globally — recognising our strength in teaching, employability, inclusiveness, and innovation.

Step forward with confidence. The world needs graduates like you — informed, impact-driven, and future-ready. Congratulations!

"Go confidently in the direction of your dreams. Live the life you have imagined."
— Henry David Thoreau

THE MACE

In medieval times, the Mace was a weapon employed to safeguard a person of great importance. Now, it is often used in convocation ceremonies to signify the dignity and authority of the Chancellor.

The Mace is 42 inches in total length. It has a 29-inch nyatoh wood Shaft with a metallic band at its midpoint. The Shaft has a smaller 1.25-inch diameter on the lower end and a larger 1.50-inch upper diameter. It symbolises SEGi's aspiration to grow in knowledge and in strength.

The four gold plated rings above the Shaft denote SEGi's core values: Quality, Passion, Vibrant and Caring. This is followed by the inscribed word 'SEGi' sitting above the four rings.

The six palm leaves in 24-carat gold plating inscribed in the Bowl represent the six SEGi campuses. Each leaf has veins that denote the diversity of programmes offered. Above this bowl are sets of three rings representing SEGi's vision, mission, and goals.

The brass and nickel-plated, diamond-shaped Body with the SEGi logo signifies the highly competent graduates produced by SEGi. At the head of the diamond-shaped Body is a pewter and gold plated Crest, a Crescent and a 14-pointed Federal Star in 24-carat gold plating.

The whole ensemble at the top of the Mace represents the heraldic practices embodied in the SEGi convocation. It is also symbolic of SEGi upholding the supremacy of the Malaysian constitution.

DEDICATED TO ALL PARENTS & GUARDIANS

YOU RAISE ME UP JOSH GORBAN

When I am down and, oh, my soul, so weary;
When troubles come and my heart burdened be;
Then I am still and wait here in the silence,
Until you come and sit awhile with me.

You raise me up, so I can stand on mountains;
You raise me up to walk on stormy seas;
I am strong when I am on your shoulders;
You raise me up to more than I can be.

You raise me up, so I can stand on mountains;
You raise me up to walk on stormy seas;
I am strong when I am on your shoulders;
You raise me up to more than I can be.

There is no life - no life without its hunger;
Each restless heart beats so imperfectly;
But when you come and I am filled with wonder,
Sometimes, I think I glimpse eternity.

You raise me up, so I can stand on mountains;
You raise me up to walk on stormy seas;
I am strong when I am on your shoulders;
You raise me up to more than I can be.

You raise me up, so I can stand on mountains;
You raise me up to walk on stormy seas;
I am strong when I am on your shoulders;
You raise me up to more than I can be.
You raise me up to more than I can be.
