## 13 Consecutive Years of Top Ratings in SETARA & MyQUEST

**S**EGi upholds the highest standards in designing and delivering a transformative learning experience. Our performance in SETARA and MyQuest over the last 13 years is unmatched in Malaysia as all our campuses consistently bag high ratings every term.

The Ministry of Higher Education uses the SETARA instrument and MyQuest system to rank Malaysian higher education institutions. Together with the Malaysian Qualifications Agency (MQA), they regulate all programmes, operating licences, and teaching permits in Malaysia.

Developed under the Malaysian Education Blueprint 2015-2025 for Higher Education, the Malaysian Higher Education Institutions Integrated Rating (SETARA) employs a rigorous assessment methodology to rate institutions on three core functions: teaching, research, and services.

The Malaysian Quality Evaluation System for Private Colleges (MyQuest) was an instrument developed by the Ministry of Higher Education in 2009 to evaluate the performance of private colleges in Malaysia. It aims to encourage quality improvements by assessing five core criteria: student profile, programme recognition, graduate recognition, quality of resources, and soundness of governance.
